The Commissioner of the
FEDERAL COMMUNICATIONS COMMISSION
445 - 12th St. SW
Washington, DC 20554

C/o Marlene H. Dortch, Secretary

Dear Madam Secretary and Commissioners:

Pursuant to the matters involved under Dockets 96-115 & -149
I understand the telephone companies wish to sell my records
to various and sundry commercial interests.

Since I have paid the phone companies for their service, I
do not wish them to furnish details to any entity, other
than such as may be required under a court order or other
legal procedure.

Please assume a strong stand against any effort by telephone
companies to violate the privacy of the public at large, mine
included.

Sincerely,

Fred F. Lewis
